About Us

www.FaustWorld.com.sg

Faust International Youth Theatre was formed in 1999 to bring the wonderful world of theatre and performing arts to the young people of Hong Kong. Faust arrived in Singapore in 2012. Our after-school and weekend workshops, as well as our school-based programmes and theatrical productions all work towards the following aims and values:

Creativity and Expression

Igniting the imagination and encouraging a flow of ideas and expressions from our students

Develop the Individual

Valuing each student as an individual, giving the opportunity to have fun, to learn and to grow at a pace that challenges them

Teamwork and Leadership

Promoting interaction with peers with respect, support and trust, giving all an opportunity to take their group forward with their ideas and knowledge

Quality

Surpassing expectations and producing work that our students and leaders are proud of

Confidence Building

Bringing forth a student's natural abilities, developing their confidence and helping them handle themselves with grace and ease

Enjoyment of Learning

Approaching theatre knowledge and creative skills with focus, fun and laughter

Empathy

Viewing the world from another person's perspective without judgment and building our members' emotional intelligence through the use of imagination

**Ages
7 to 10**

It is the one activity they constantly asked to do. They love the opportunities to be on stage and it has given them both a big boost in confidence.
